# Railing Takeoffs

## What we need to get started:

- Sketch your plan on the bottom or attach in an email
- Mark which sides get railing and include dimensions

☐Composite Rail: ☐ Black ☐ White ☐ Matte White ☐ Matte Espresso ☐ Matte Black
Top Rail: ☐ Premier ☐ Trademark ☐ RadianceRail ☐ Drink Rail
Balusters: ☐ Composite ☐ Aluminum ☐ CableRail ☐ Glass Channel
Post Sleeve: ☐ 4”x4” ☐ 5”x5” ☐ 5.5”x5.5”

☐Aluminum Rail: ☐ Black ☐ White ☐ Dark Bronze
Top Rail: ☐ Classic ☐ Modern ☐ Drink Rail
Balusters: ☐ Aluminum ☐ Vertical Cable ☐ CableRail ☐ Glass Channel

Standard lead time is 24 – 48 hours, though time may vary based on the scope of your project. We’ll provide a materials list as well as a planogram detailing where each component should be installed.

Send your info to joseph.pass@azekco.com or your local TimberTech representative.
